

**2016/07. The Economist humour against Brexit. ( + )**

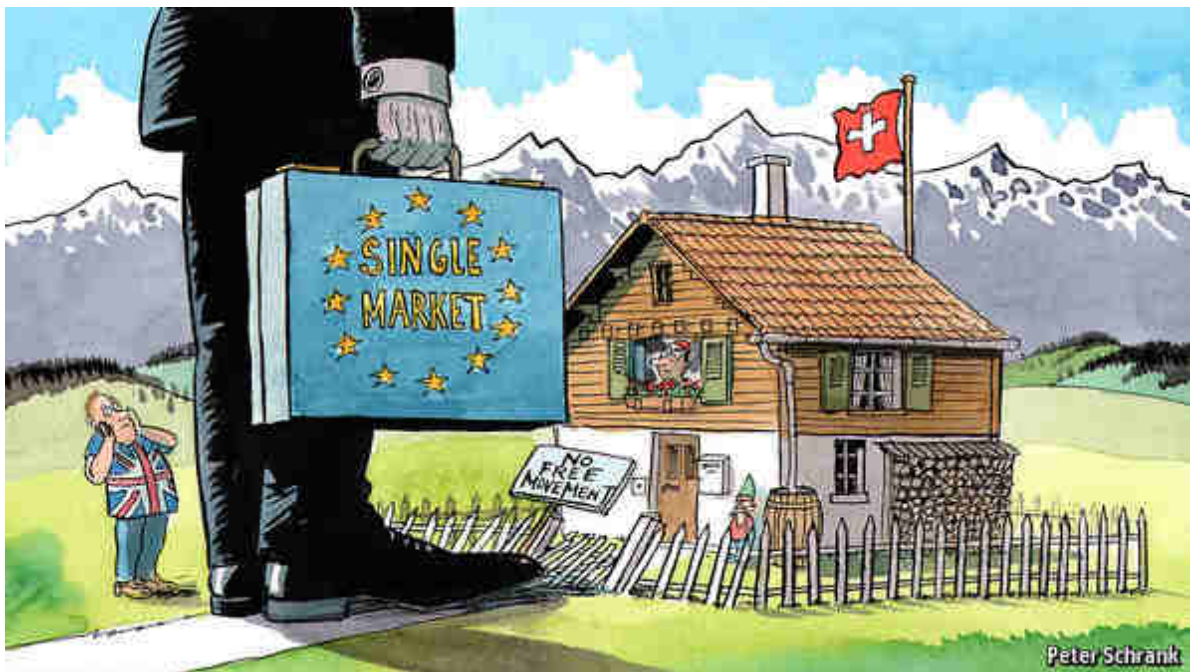

**The road to Brexit. Britain's prime minister must resist her party's dangerous instincts**

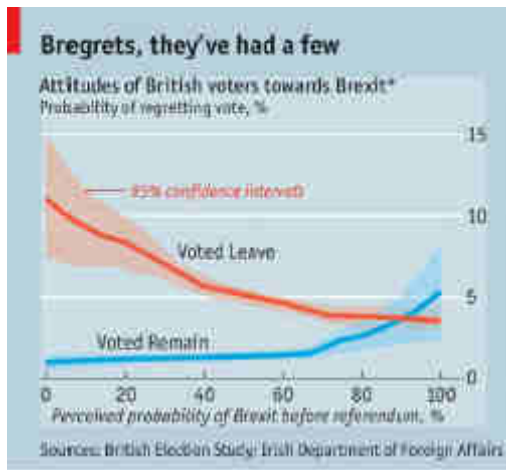

**May's revolutionary conservatism. Britain's new prime minister signals a new, illiberal direction for the country**

The isle is full of noises. For a smooth Brexit, Britain must drop the boorish language and try to understand its neighbours.

The parable of Ticino. The harsh lessons from Switzerland for Brexiteers. (Ticino: smallest Swiss canton).
